

# OTTAWA VALLEY FARM SHOW SHOW NEWS February 24, 2009

Ottawa Valley Seed Growers Association director and Arnprior feed dealer Barry Dean had this trophy made in honour of late, long-time association director Bennie Vance who was always supportive of 4-H... as is Barry. The trophy will go to "Best Sheaf", a relatively new category at the annual Seed Show, part of the 2009 Ottawa Valley Farm Show March 17-19. In addition to several certificates and plaques, the Seed Growers sponsor 16 trophies, some of which are decades old.

Veteran Ottawa Valley Seed Growers Association director John Posthumus (left) received a plaque Feb. 23 honouring his nomination to the Ontario Agricultural Hall of Fame. While John won't be inducted in this round, Hall of Fame member Garnet Ralph and other OVSGA directors thought the nomination was well worth commemorating.

Ottawa Valley Seed Growers Association director Barry Dean shows off an oversized cheque representing a contribution from Cover-All to door prizes being offered at the 2009 Farm Show March 17-19. The winner of one draw will be able to apply the amount towards purchase of a Coverall building, while a second draw will cover the cost of four nights at Mont Tremblant, compliments of Agtrek Nutrition.
